## 2. Background & Objective

The Finance function relies on timely and accurate inputs to ensure effective financial planning, MIS reporting, and governance compliance. This policy establishes a standardized framework for managing small-value business expenses and out-of-pocket reimbursements. The objective is to ensure transparency and accountability while linking financial compliance with performance evaluation.

## 3. Submission Categories and Timelines

To maintain organizational financial discipline, all employees must adhere to the following mandatory submission cycles.

| S. No. | Category & Description | Submission Deadline |
|---|---|---|
| **3.1** | **Petty Cash Settlement** Settlement and reconciliation of usage via NXTCLAIM with all supporting documentation and payment proof. | Within 3 working days from the date of spend. |
| **3.2** | **Employee Reimbursement (Cycle 1)** Requests for business expenses incurred between the 1st – 15th of the month. | By the 18th of the same month. |
| **3.3** | **Employee Reimbursement (Cycle 2)** Requests for business expenses incurred between the 16th – 31st of the month. | By the 3rd of the following month. |

### 3.4 Processing Windows

a. **Petty Cash:** Processed via Volopay within four (4) working days from HOD approval.
b. **Reimbursements:** Credited to the registered bank account within seven (7) working days after HOD approval.

## 4. Permissible Expenses (Domestic Travel)

### 4.1 General Eligible Expenses

Employees may claim reimbursement or utilize petty cash for the following business-related expenses:

i. **Food and Refreshments:** During official work activities.
ii. **Communication & Logistics:** Postal and courier charges.
iii. **Office Operations:** Stationery, supplies, and minor office maintenance costs.
iv. **Business Development:** Client meeting expenses.
v. **Subscriptions:** Local and overseas tool subscriptions. (No Permanent Establishment declaration from vendor is mandatory for overseas subscriptions).
vi. **Travel:** Fuel for business travel and local transportation.

### 4.2 Travel and Stay Limits

All business-related travel and stay must adhere to the limits defined below.

## 5. Mandatory Procedural Requirements & Prohibitions

c. **Travel Bookings:** All business-related travel and hotel bookings must be made exclusively through Make My Trip MyBiz.

d. **Transaction Limit:** No single payment or reimbursement request exceeding ₹10,000 is permitted through these channels.

e. **No Asset Purchases:** Petty cash and reimbursement channels must not be used for company assets (e.g., hardware, furniture, or equipment).

f. **Documentation:** All claims must include original receipts/invoices.

g. **Mandatory Payment Proof:** Explicit proof of payment (e.g., bank records, UPI confirmation, or digital receipts) is required for all claims to validate the transaction.

h. **Disbursement:** Petty cash is issued strictly via the Volopay digital wallet and will not be transferred to personal bank accounts.

## 6. Compliance and Accountability

i. **Salary Hold for Non-Compliance:** Where critical financial submissions or expense settlements remain pending beyond defined timelines, the salary of the concerned employee may be held until the submissions are completed.

j. **Performance Impact:** Repeated delays or failure to provide accurate documentation will be formally considered during performance appraisals and may impact variable pay or increments.

k. **HOD Responsibility:** HODs are responsible for ensuring that all submissions from their team are accurate, complete, and properly documented.

l. **Grievance Mechanism:** Employees may raise grievances related to salary hold or reimbursement disputes by writing to pay@nxtwave.tech. The Finance team will review and respond within five (5) working days.
